

What's your Message?

Now that you know so much about diversity, why don't you help create awareness about people who do things differently (persons with disabilities)? Come up with a short slogan or message of your own that will help people remember and further this cause.

For example, we created these.

- **Diversity makes life interesting.**
- **I am born like this, so what?**
- **Be an Ability Activist**

Now it is your turn.

Can you now write your message in Braille?

Here is the Braille alphabet.

Use it to turn your slogan into Braille.

a	b	c	d	e	f	g	h	i	j

k	l	m	n	o	p	q	r	s	t

u	v	w	x	y	z

Who's the Messenger?

You also need a messenger or mascot to deliver your message.

Do you know what a mascot is?

The Amul girl and the McDonald's clown are mascots.

Create your own colourful mascot who will serve as a messenger and deliver your slogan or message. Your teacher will work alongside you on this interesting and fun project!
